

Rajesh was only six months old, when his father left the family. His mother who was working as house maid brought up Rajesh and his two siblings. Her mother had no source of income other than the meager wage she earned working as maid servant in Daryaganj area of Delhi. Rajesh had only studied in class one when he was brought to Bal Sahyog by her mother requesting for arranging accommodation for him in the Home in 2010. At that time Rajesh was only 9 year old. He was admitted in Government Primary School in class II and provided special coaching for ensuring age appropriate admission. After 2 years he was admitted in class VI in Bal Sahyog Middle School in 2012. Thereafter, he has made steady progress in studies and at present is studying in class IX in Govt. Boys Senior Secondary School, Mata Sundry, New Delhi.

Rajesh has been provided special tuition, personality coaching, opportunity for sports and games etc. continuously. He is fun loving and very expressive as well as actively involved in group activities and workshops. He has undergone vocational training in book binding from MSME.

Rajesh is a very cooperative, hardworking, well-mannered and loving child who likes to do drawing and painting. He has attended workshops in disaster management and painting in summer vacation. He also got cash prize of Rs. **15000/-** from HUDCO for doing best painting in the competition organised by them. Rajesh shares healthy relationship with his mother and two elder sisters and visits them during vacations. We, at Bal Sahyog, are trying to provide opportunity to Rajesh to become a good human being and an excellent professional in painting and development.
