

Bal Sahyog conducts Health Checkup Camp for children and Youth at Wazirpur Contact Centre.

A Health Camp was organised in Wazirpur Contact Centre in North East Delhi on 24th May 2017 for the children in the Balwadi and NFE/Remedial Centre covering 30 children in the age group of 3 years to 12 years. They have also been provided vitamins and other required medicines as prescribe by the doctor. The cost of the same was borne by IRISH AID Project of Irish Embassy. Dr. Mehetab Alam provided the services of diagnosis and prescription of medicines. Many mothers of the children also participated in the health camp and tried to understand the health issues of their children from the visiting consultant. Below are some photographs of the occasion:
